such tariffs exceed the prescribed limits or are violative of the Regulatory Guideline in vogue:

Effects of inadequate radio frequency resources

287. SHRI B.K. HARIPRASAD: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether the DoT has cautioned of inadequate radio frequency resources in the coming months to meet the requirements of GSM operators;

(b) if so, whether this would cause increased congestion leading to call failure or call drops for the consumers; and

(c) whether the DoT has predicted deterioration in call quality and cross connections for the GSM users?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) to (c) Department of Telecommunications has estimated the requirement of additional radio frequency spectrum for the growth of GSM services to meet the national targets.

To meet the quality of service and to decrease call failure or call drops in the GSM networks, adoption of microcell architecture, additional Base Trans receiver Stations (BTSs), adopting techniques such as installation of Boosters , adequate number of inter operator junctions, interconnection infrastructure, etc. are required, besides necessity for adequate radio frequency spectrum.

Computerisation of post offices in Andhra Pradesh

288. SHRIMATI N.P. DURGA: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) the details of Post Offices that have been provided with computers in the State of Andhra Pradesh, district-wise;

(b) the details of Post Offices, out of these computerized Post Offices, providing improved services to the customers;

(c) the details of Circle and Regional Post Offices in which PLI work has been computerized, district-wise;

(d) the target set for 2007-08 for computerization of Post Offices; and

(e) how computerization of counter operations and other operations help in reducing the waiting time for customers and earning more revenue for the department?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) The details of Post Offices that have been provided with computers in the State of Andhra Pradesh, district-wise is gigen in the Statement.

(b) All computerized post offices are providing improved services to the custoemrs.

(c) Acceptance of Postal life Insurance (PLI) and Rural PLI proposals and issue of policy documents have been computerized at the Circle and Regional Administrative Offices respectively Further, the work of acceptance of insurance premium is computerized in all computerized post offices. District-wise details of such computerized post offices are also given in the Annexure.

(d) The Department had the target of computerizing all Head Post offices and large Departmental Sub Post Offices during the Tenth Five Year Plan. The target has been achieved during this Plan. There is no target set for Computerization of post offices in Andhra Pradesh during 2007-08.

(e) Computers have been installed at the counters of all computerized post offices. This facilitates carrying out various postal transactions in a single window system and thus reduces the waiting time fo the customers. Further, by virtue of computerization, new e-enable services like e-Post, e-payment and instant money transfer have been introduced. These services are helping to earn additional revenue for the Department, while providing faster mail and remittance services to customers.

Reducing phone calls from tele-marketing companies

289. SHRI S.M. LALJAN BASHA: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether Government propose to reduce phone calls from tele-marketing companies to phone subscribers;

(b) if so, the reasons for Government going slow on this matter;

(c) whether Government would take other steps to create scarceness amongst telecom companies avoid selling phone lists to private companies; and

(d) the details of the proposed steps?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) to (d) The issue unsolicited commercial communication has been raised at various forums. Telecom Regulatory Authority of India has issued a
